ULTIMATE

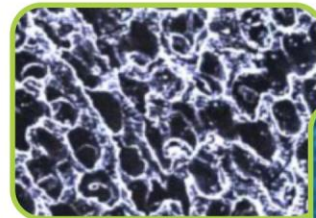

HAIR • SKIN • NAILS

Contains Lithothamnium Calcarium and MethylSulfonylMethane

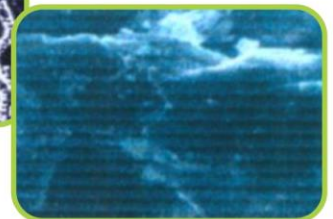

100% organic mineral supplement derived from a unique source of sea plant which grows in a remote location in the North Atlantic Ocean

- Root system has the ability to draw in copious amounts of minerals and trace elements
- Contains Calcium, Magnesium and 48 other minerals and trace elements
- Minerals are "digested" and broken down into their smallest elements resulting in exceptional bioavailability
- Porous physical structure results in a solubility of a minimum of 96%
- Surface area of 9.5m2/gram
- Sustainable source

ELECTRON MICROGRAPH

LITHOTHAMNIUM

CALCIUM CARBONATE

METHYL SULFONYL METHANE

- Organic sulphur essential for life
- Naturally derived from the earth's rain cycle
- Known as an anti aging mineral
- Produces collagen and keratin which are critical for the production of healthy hair, nails and skin
- Makes the cells more permeable allowing essential nutrients and hydration and expelling toxins including lactic acid
- Dissolves calcium phosphate

ACTIVITY OF MSM FOR HAIR GROWTH

- ANAGEN PHASE : 3- 5 years MSM Extends the growth phase, thickens and strengthens hair
- CATAGEN PHASE: 1-2 weeks, Transition phase Paplia separates from hair follicle
- TELOGEN PHASE: 2-4 months, Resting phase, Paplia completely separates from hair follicle
- ANAGEN PHASE returns, old hair is permanently lost and the cycle begins again

ACTIVITY OF MSM FOR SKIN

- Makes arteries and veins flexible, elastic and permeable which allows oxygen and nutrients to pass through the walls to nourish surrounding tissue in the skin
- Builds "disulfide bonds" which hold tissue together in a flexible bond including skin, nails, protein, collagen and glucosamine.
- Helps reduce scar tissue, acne, wrinkles and keeps skin more elastic.

No more brittle Nails
Stronger healthier looking Hair
Faster growing Hair & Nails
Firmer smoother younger looking skin

DOSAGE
3 to 4
CAPSULES
per day
