THE LASH COMPANY

Conversion Course for Classic and Volume Eyelash extensions (includes Hybrid techniques)
Classic Eyelash Extensions (includes Hybrid techniques)
Volume Eyelash Extensions (includes Hybrid techniques)

HELIA-D DISTRIBUTOR OF EYELASH EXTENSIONS & PRODUCTS

INTRODUCTION TO LASH COMPANY

Our lashes are made from soft and naturally curved synthetic silk, so they look and feel identical to human lashes. The use of the most advanced adhesives ensures the best possible bond to the natural lashes. This results in longer, thicker, more natural looking lashes which last the life of the client's own eyelashes.

In addition to top quality lashes, we also supply affordable lashing tools and accessories required to perform a perfect lash extension.

Should you require further training on lash extensions, we provide in house training on our lash products, to ensure you achieve the best results. Training dates will be posted on our web site.

We offer the following training courses:

- 1. Conversion Course for Classic and Volume Eyelash extensions (includes Hybrid techniques)**
- 2. Classic Eyelash Extensions (includes Hybrid techniques)**
- 3. Volume Eyelash Extensions (includes Hybrid techniques)**

Eyelash courses offer a quick return on investment and endless earning potential in an ever changing, growing and exciting industry.

Enquire about our course dates and book your seat with the best in Brand training

CONVERSION TRAINING

The Conversion training includes product & practical training for therapists who have trained previously in eye lash extensions. Certification is required for the Conversion course. Below is a compulsory kit to be purchased in order to proceed with the conversion course. The therapist brings the balance of own products and can purchase the The Lash Company products as required.
